BUSINESS RELATIONS/PURCHASING DIVISION

October 22, 2010

Dear Supplier,

The City of Long Beach Purchasing Division is committed to providing maximum opportunities for small, disadvantaged, minority, women and Long Beach business enterprises to compete successfully in supplying our needs for products and services. Businesses are encouraged to register in the City's Bidder Database at [www.longbeach.gov/purchasing](http://www.longbeach.gov/purchasing) to receive automated email notifications for selected contract opportunities based on product/service categories.

Attached is a list of contract opportunities for which the Purchasing Division is currently accepting bids. Also included are Public Works/Engineering bids, Water Department bids and Request for Proposals (RFPs) from various City departments. City bids and RFPs may be downloaded from our website [www.longbeach.gov/purchasing](http://www.longbeach.gov/purchasing). Additional information on our website details upcoming bids, department contacts, and information on the local preference and small business certification, etc...

Also, please be sure to check out our new City of Long Beach Small Business Enterprise (SBE), Very Small Business Enterprise (VSBE), and Local Small Business Enterprise (LSBE) Certification Program. If a vendor is already registered, they only need to go in and update their profile to apply for this program. If a vendor is registering as a new vendor, they have the option to apply as well.

Our vendors make a valuable contribution to the health, safety and welfare of the community we serve. You are encouraged to participate in our procurement process.

If you wish to receive this information in electronic form, rather than receive the hard copy, please contact Anne Takii at 562-570-6362 or by e-mail at [anne.takii@longbeach.gov](mailto:anne.takii@longbeach.gov).
